## Days of Equality and Solidarity

### April 11 - 18, 2010

During World War II, Norwegians wore paper clips on the collars of their clothes to demonstrate their opposition to Nazism and anti-Semitism. At Academy School District 20 (Colorado Springs, Colorado), we will wear paperclips on the collars of our clothes during the week of April 11-18, 2010, to demonstrate our opposition to racism, prejudice, and hate crimes.

**Please wear paper clip with us during this week to honor the victims of the Holocaust, as well as the victims of terrorism.**
